

ARMED BANDS ROAM IN HARDIN COUNTY

TWO HUNDRED MEN ARE SAID TO BE IN NEARBY HILLS WERE DRIVEN OUT OF ELIZABETHTOWN

Officers Fail to Come in Contact With Them
—Strikers Are Said to Have Held Man
and Family Prisoners Over Sunday—
Refugees Return to Homes in Rosiview

(By The Associated Press)
ELIZABETHTOWN, Ill., Sept. 6.—The Hardin county mine strike zone is quiet tonight, county officials reported after a day of patrol activity in which special deputy sheriffs failed to establish contact with any of the bands of armed miners said to be hiding in the nearby hills.
The strikers are well armed, having between 200 and 300 rifles for not more than 150 to 200 men, according to State's Attorney Clarence Foward. In addition they are known to have at least 50 sticks of dynamite stolen two weeks ago from one of the mine companies.
There was no sign of trouble about the mines at Rosi Clare today. The mine operators have made preparation to meet any trouble, but are not expecting it.
At the Hillside Mine searchlights have been mounted on the water tank and in trees covering the mining property and the powder house across the ridge.

UNEMPLOYMENT CONFERENCE TO BE HELD SOON

Secretary Hoover is
Gathering Data at
Harding's Request

(By The Associated Press)
WASHINGTON, Sept. 6.—Data for use in connection with the unemployment conference called by Secretary Hoover at the request of President Harding, was being gathered today from the bureau of statistics of the department of labor, which was requested especially to supply cost of living figures.
While representatives to the conference will be limited probably to thirty or less, it was learned today that the president will be furnished with lists of persons considerably in excess of that number who will measure up to his request for representatives of "key industries" from different sections of the country.
Lists Are Submitted.
Samuel Gompers, president of the American Federation of Labor, has proposed 25 representatives of labor in the various crafts from all parts of the country, while the United States Chamber of Commerce has submitted five names. Other associations and organizations have submitted lists at the request of the president.
From these lists, it is understood the president will make his selections, eliminating as far as practicable duplication of industries and sections. Secretary Hoover, it was said today, would submit the lists together with the program for the conference to the president Thursday.
Expenses necessary to the unemployment gathering, officials asserted, probably would be borne by the commerce department, but only a small outlay is expected. The date for the meeting has not yet been set but it probably will be around Sept. 15 or Sept. 20.

**BIG CRUSH IN
BOOK STORES TUESDAY**
Yesterday afternoon was the big day in the history of the book stores of this city. The crowds stormed the book counters like starving Chinese storm the relief expeditions. The frenzied clerks ran thither and you trying their best to wait on five or six customers at once. The crowded store rooms soon became suffocating and many were forced to leave in order to get a breath of fresh air. The jam and stress were so great that one woman fainted while waiting to purchase books for her little daughter. It would have been far wiser if more of the students and parents had done their purchasing on Monday.

Many Refugees from Forest Fires

MAY MAKE THE
REPEAL OF TAX
RETROACTIVE
Seems to be Sentiment
of Senate Finance
Committee

(By The Associated Press)
WASHINGTON, Sept. 6.—There is a growing sentiment in the senate finance committee to make repeal of the excess profits tax retroactive to last January 1, instead of effective next January 1, as provided for in the house revenue bill. Chairman Penrose said today, in announcing that the committee expected to complete tomorrow preliminary consideration of the house measure.
It is understood that Secretary Mellon will suggest retroactive repeal of this tax when he appears before the committee tomorrow to submit a statement as to future government money needs. Such repeal was proposed in the bill originally drawn by the house committee, but Republican members of the house voted to postpone the date to January 1, 1922. Members of the senate committee take the position that the Republican party made a definite promise to repeal this tax immediately and that this is a settled pledge in the public mind. The same position was taken by most Republican members of the house committee, but western representatives led a successful fight for retention of the tax for this calendar year.
Would Cut Off Big Sum.
Treasury experts have estimated that retroactive repeal of this levy would cut \$450,000,000 from the revenue total in the next calendar year, making the income on the basis of the house bill \$2,540,000,000 for 1922. The house committee also proposed retroactive repeal of the income surtax brackets in excess of 32 per cent estimated to cut an additional \$90,000,000 from the year's revenue. This matter has not yet been taken up by the senate committee, however.
A new feature in revenue legislation now under consideration by the senate committee would speed up refunding of taxes improperly paid. Chairman Penrose said the government had been holding funds due taxpayers for two or three years and that no interest was allowed or credit given on future taxes.
The committee expects to have a bill drafted for presentation to the senate after congress reconvenes Sept. 21.

MORE SORROW FOR AMERICAN DRINKERS

(By The Associated Press)
MONTREAL, Sept. 6.—The Quebec liquor commission which controls the sale of intoxicants within the province, will not sell liquors to Americans for export purposes unless the American government gives its consent, it was announced today by G. S. Simard, chairman of the commission.
Americans will be permitted to purchase small quantities of liquor for consumption while in the province. The same ruling will be followed with regard to citizens from other Canadian provinces where prohibition is in effect.
The announcement followed the seizure at Lacolle yesterday of 70 barrels of beer at a picnic of 3,000 New York state Elks. It was charged that the beer was obtained without a permit from the commission.

**FORTY INJURED WHEN
CAR JUMPS TRACK**
Chicago, Sept. 6.—More than forty persons were injured tonight when a Fourteenth and Sixteenth street car jumped the track and plunged over a forty foot viaduct. It was checked only by a steel guard rail which gave in the front vestibule of the car. There were over 80 persons in the car. The passengers became panic stricken and many were injured in the effort to escape. Others were cut by flying pieces of glass.

**BROWN'S BUSINESS
COLLEGE OPENS**
Brown's Business College completed its fall enrollment yesterday and begins with the largest enrollment in its history. All branches are well represented and the institution starts out with good prospects.

HARDING REVIEWS ACHIEVEMENTS OF ADMINISTRATION

Letter to Senator McCormick is Considered
Reply to Democratic Chairman White's
Legislative Criticism—Tells of the Budget
System, Soldier Relief and Other Measures

(By The Associated Press)
WASHINGTON, Sept. 6.—President Harding, in a letter reviewing the achievements to date of the Republican administration particularly with reference to congress, declares that "surveying the national situation as a whole it is plain that we are working our way out of a welter of waste and prodigal spending at a most impressive rate."
The letter made public today, was written by the president under date of Aug. 29 to Senator McCormick of Illinois, and it is understood will be used in the campaign in New Mexico where Senator Bursum, appointed to fill out the unexpired term of Secretary of Interior Fall, is a candidate for election. The letter, it also is understood, is considered by Republican leaders as a reply to attacks on the legislative record of the Republican congress by Chairman White of the Democratic national committee and other leading Democrats.
"We have made much progress toward retrenchment and greatly increased efficiency," the president asserts, "I cannot but account it a monumental accomplishment which has marked the work of the extraordinary session down to the time of its recess."
Looking to the future Mr. Harding in his letter expresses the confident hope that congress after the recess and before the end of the extraordinary session will adopt both the tariff and taxation measures and that along with these it will pass the bill to permit funding the debt owed us by foreign governments.
"This, I hope," the president adds, "will shortly be followed by arrangements under which the debtor countries will begin paying interest on their obligations."
"Likewise I am convinced the bill facilitating the funding of the debt of the enemies to the United States will become law during the extraordinary session thus insuring a large and immediate demand for men now idle."
The president in beginning his letter expressed thanks to Senator McCormick for the Illinois senator's congratulations on the accomplishments of the administration as expressed in a letter addressed to the president under date of August 21.
Praises Congress.
The Republican congress preceding the advent of the present administration is credited by Mr. Harding with having "patiently and unflinchingly labored to reduce expenditures," with results "which we can summarize in the statement that the appropriations for the current fiscal year will aggregate four and a quarter billion dollars and that this is three quarters of a billion less than the expenditures for the previous fiscal year."
The president, after reciting as "extravagance incident to the war, the expenditure of three and a half billion dollars by the shipping board, between five and six billion dollars for aircraft, artillery and ammunition and between one and a quarter billion dollars for the railroad administration adds:
"It is gratifying to be able to say therefore, that probably no other government in the world has during a similar period so drastically reduced expenditures as has the government of the United States during the past two years on the insistence of the Republican congress. More-over I am happy to assure you that the administrative department with the program of rigorous economy, thru I believe we will be able during the next year to 'cover' back into the treasury a large sum that the aggregate of taxation may be reduced to \$2,500,000,000 a year."

**NURSES HOLD
DISTRICT CONFERENCE**
The thirteenth district conference of nurses was held in this city yesterday. The nurses were mostly from Springfield and Decatur and made the trip by train and car.
Upon their arrival here they were taken thru the vocational training ward at the Jacksonville State hospital and then convened at the Peacock Inn for a business session and a luncheon. Last evening they were entertained by Dora B. Moore at her residence on East State street until train time.

**COLLISION ON
SPRINGFIELD ROAD**
Cars driven by W. E. Sullivan and Arthur Zachary came into collision on the Springfield road about 9 miles east of Jacksonville Tuesday evening. It was a head-on collision and both cars were considerably damaged. Fortunately neither Mr. Sullivan nor Mr. Zachary nor the men traveling with them were injured.

HERE FOR VISIT
Charles Peak who has spent the summer in government work in East St. Louis, is here for a visit with his father, C. O. Peak. He will attend the University of Illinois again this fall.

POSITION OF GOVERNMENT IS SET FORTH

Submitted to League
of Nations Assembly
at Geneva

(By The Associated Press)
WASHINGTON, Sept. 6.—The position of the American government on the question of mandates has been set forth more completely than heretofore and especially in reference to those of Class A, and B, in a new note to Great Britain, France, Italy and Japan, and thru some of them, it is understood, has been submitted to the meeting of the assembly of the league of nations at Geneva for consideration.
Announcement was made at the state department today that the note was dispatched last week, but no intimation was given as to when it would be made public, if at all.
Altho officials would not discuss the matter, it is understood that the note was forwarded after inquiries had been received from some of the powers as to the American attitude toward the "A" and "B" mandates for their guidance in possibly considering the allotment of some of the former enemy territory at the Geneva meeting.
Took Strong Stand.
As early as May 12, 1920, the American government had taken a strong stand against the setting up of any special privileges in mandate territory, especially as involving the oil lands in Mesopotamia and the cable privileges of the Pacific Island of Yap, the latter claimed as a "C" mandate by Japan. In a note of February 21 last, Secretary Colby gave explicit warning which was later reiterated by Secretary Hughes, that the approval of the United States was necessary to validate any mandate, a sanction which he contended had never been given in the case of Yap.
In this recent note Secretary Hughes is understood to declare for equality of treatment of all nations and persons in trade and residence and concessions in all mandate territories.
In making its claim for the open door in all such territories, the American government is understood to have in mind the privilege of sufficient safeguards for American missionaries as well as American business men.

GOVERNOR ASKED TO TAKE ACTION AGAINST GUNMEN

Chicago Federation of Labor
Sends Message to
Small

(By The Associated Press)
CHICAGO, Sept. 6.—Answering an appeal from the mine workers of southern Illinois for assistance against forces employed by the operators to put down their strike, the Chicago Federation of Labor today telegraphed Governor Small for action.
"We hope and expect that the state of Illinois will not disgrace itself as has the state of West Virginia, by allowing hired gunmen to violate the law and trample under foot the rights of American citizens," read the telegram.
"We are informed that a committee of union mine workers is to wait upon you tomorrow and we ask that you give this committee your grave, detailed and full attention."
The message further suggested that the governor "drive from the state these gunmen as did your predecessor, Governor Tanner, upon a similar occasion."

**RETURN FROM TRIP
TO NIAGARA FALLS**
Mr. and Mrs. Harry Furry of Merritt returned Monday night from a motor trip to Niagara Falls. They traveled by way of Detroit and crossed the St. Lawrence river at Port Huron, Mich., passing into Canada thru London and Hamilton.
On their return trip they took the boat at Buffalo, N. Y., and made a 30 mile trip down thru Lake Erie, stopping at Cleveland and then on to Toledo. The trip was very enjoyable in every respect, as they found fine roads on the whole trip, all the roads being either concrete or gravel.

SEVENTY FIVE MADE HOMELESS WHEN TWO TOWNS ARE BURNED

Solana and White Pine Are Wiped Out by
Flames—Fire Believed to be of Incen-
diary Origin—Two Hundred State Troops
Back Fire and Build Breaks to Stop Fire

(By The Associated Press)
McGRATH, Minn., Sept. 6.—More than seventy refugees from the fire swept area in the vicinity of Solana and White Pine, including those who at noon today were made homeless when the village of White Pine was wiped out, are being cared for tonight by the national guard contingents stationed at this place. Settlers and villagers were forced to flee when underbrush, grass and timber fires again broke thru fire lines established by the state troops and forest rangers detailed here to prevent a further spread of the flames.
Approximately fifty persons were compelled to leave White Pine when fire broke out in the large lumber and planing mill there and immediately spread to surrounding buildings. National guard trucks brought the refugees to this place. They are housed in service tents and food is furnished them from the quartermaster's department. Many of the refugees were penniless.

The community consisted of eleven buildings, numerous bunk-houses, a rooming house, post-office, store and a school house. These were all destroyed with the exception of one dwelling, several shacks and the school house. Adjutant General W. F. Rhinow said he was of the opinion that the fire was of incendiary origin and a thorough investigation surrounding it will be made by the state military authorities.
Approximately 200 state troops in addition to a large number of settlers and citizens back fired the underbrush and built breaks to help check the fire which broke thru the lines today.
Following a conference today of state forestry officials and military officers a concerted effort of fire fighters to check the fires on all fronts in this entire section was made and every available person and trooper was sent to the front lines.
The situation was considerably improved and the hopes of fighters and officials are again that the menace is materially decreased. Weather conditions, however, they said are against them and unless a heavy rain is received constant watching will be necessary.

Fight Fire Near Onamia
Onamia, Minn., Sept. 6.—Under personal direction of State Forester Cox, about fifty men are fighting a stubborn forest fire five miles southwest of here. The fire has moved about one mile nearer town since this morning. There are reports that several farmsteads have been burned out but all settlers are said to have escaped.

Howitzer Company Out
St. Paul, Minn., Sept. 6.—One hundred men of the Howitzer and Headquarters companies of Stillwater tonight were ordered by Major E. A. Walsh, acting adjutant general, to proceed immediately to Knife River and Two Harbors to fight forest fires.
Early tonight the fire continued serious with high winds in some districts according to reports here.

TO TEACH IN CHARLESTON.
Miss Gratia White, who has been a member of the faculty at the School for the Deaf, left recently for Charleston, Ill., where she will teach in the high school.

WEATHER REPORT
Illinois: Fair Wednesday probably becoming unsettled on Thursday; not much change in temperature.
Temperatures
The current maximum and minimum temperatures as recorded Tuesday were:

Buffalo ... 72 76 62
New York ... 74 80 66
Jacksonville, Fla. ... 88 94 76
New Orleans ... 78 92 74
Chicago ... 72 75 66
Detroit ... 76 76 72
Omaha ... 78 84 58
Minneapolis ... 76 80 58
Helena ... 66 70 42
San Francisco ... 64 72 58
Winnipeg ... 62 72 46

The newspaper's suggestion of the imposition by the premier of a time limit has been badly received. Arthur Griffith and others resent any attempt to force the pace. There is no sign, however, that the Sinn Fein leaders regard the position as critical. They talk as if they had months of argument before them and as there was no possibility of the termination of the truce. The British reply is expected to be delivered tomorrow night to Mr. DeValera and in that event it is likely to be made public before the end of the week.

IMPOSITION BY ENGLAND MEANS WAR

This is Statement Is-
sued Tuesday by
Eamonn DeValera

(By The Associated Press)
DUBLIN, Sept. 6.—On the eve of a meeting of the British cabinet at Inverness to take action on the Irish problem, Eamonn DeValera, the Irish Republican leader, today quite unexpectedly issued a statement to the press in which after reiterating Ireland's earnest desire for peace, declared that peace could never be founded on make believe.
"Let us lay aside the camouflage and put away the hypocrisy," said Mr. DeValera. "If England is issuing an ultimatum let it be an ultimatum."
War, not peace, would be the outcome of the imposition of England's proposals by force, according to Mr. DeValera, who went on to assert that England had no basis in right for a single demand she was making on Ireland and would not dare to make such demands upon "a power even nearly as strong as herself."
Statement Came Suddenly.
It was announced earlier in the day by the Sinn Fein leaders that there was nothing to communicate, then suddenly came a call, and a typewritten statement was given out. The bitterness is to be observed in the pronouncement, it is noted that it does not amount to a rupture of the negotiations, nevertheless its issuance at this critical moment is believed here to add to the gravity of the situation.
A communication was received by wire today from Robert C. Barton, the Sinn Fein courier who carried the Daily Freeman's reply to Premier Lloyd George and is still in Scotland, forecasting "a possible result of the cabinet meeting and it is suggested that Mr. DeValera's statement was made in consequence of information contained in Mr. Barton's message."

The troubles may break out again in the mining regions of West Virginia, but it is noticeable that firing ceased immediately after the arrival of federal troops. In the most lawless communities of the United States respect for Uncle Sam's soldiers abides. There is a deep-seated trouble in the coal mining area, which the presence of troops cannot permanently settle.

One of the most surprising things to consider is the various measures passed for the relief of disabled veterans and the distressing conditions that still prevail. Great appropriations have been made for this laudable work, yet reports made from time to time show that obstacles of one kind or another have in many instances prevented the giving of relief in quarters where richly deserved.

A SUCCESSFUL FAIR

The Morgan county fair now in progress gives a touch of certain "good old days" which were really worth while. Some of the good old days that people talk about merely refer to primitive times

when conditions were not nearly as satisfactory as they are today.

But it is different in this harking back to the time of the Morgan county fair. That was an institution which brought the people of the county together socially in a way which was helpful. The various features tended to improve general farm conditions.

The Morgan county fair of today gives emphasis to some of the best points of the old time fair. The first day's program gave ample proof of both interest and good management, so the officers and committees who have made this fair possible are to be congratulated upon their ideas in planning this fair and their earnestness in the work which it entails.

WILLING FOR THE PEOPLE TO DECIDE

The petitioners who last night asked the city council not to pass an ordinance opening the picture houses of Jacksonville on Sunday showed an entire spirit of fairness. They are not asking the council to rescind its action, which proposes to submit the question to a vote of the people. They simply filed the petition as a matter of record and thru their spokesmen indicated an entire willingness to submit the whole question at a general election. There could be no fairer way of settling this question of public policy.

It is a question which has its moral side, although not in the same way that the moral question applied to local option. People have honest differences of opinion as to what constitutes the proper observance of Sunday. Those who oppose the commercializing of Sunday have some sound argument in support of their position. Those who believe that there is no harm in showing pictures on Sunday argue that the pictures can exert a helpful influence and that without this form of entertainment that people may engage in pleasures far less beneficial.

But without attempting to debate the question, it is certainly a fair proposition to allow the people to decide for themselves.

THE METHODISTS ARE WITH US.

Jacksonville is honored by the presence of the Methodist conference here. The coming of the conference means that hundreds of ministers and laymen prominent in the Methodism of central Illinois will spend a week in the city. Sometimes one hears the plaint that the strength of the church is decreasing, but facts do not justify the statement, and instead go to show that the opposite is true. One reason for the increasing rather than diminishing strength of the church is that ministers of today are so much more "human" than was the case in years gone by. This minister of today does not hold himself aloof from the affairs of his home city. Instead, he takes an active part in civic, philanthropic and educational affairs, in addition to those that are distinctly religious. He has part in the social life and the result of the newer activities has been to make the relations between the ministers and the public more intimate. People have a better understanding of the men who stand in the pulpits and who at one time were considered only their spiritual advisers.

The Methodist church has had its part in this "humanizing" process, and the average Methodist minister of today is a power for good in the community where he resides, not only because of his religious life but also because of the desire he manifests in broadminded way to help his community.

Again we say, Jacksonville is honored by the presence of the Illinois Methodist conference, for great is the debt of the people to Methodism.

FUNERALS

Young
The remains of Mrs. Herman Young were taken from the O'Donnell undertaking parlors to Alexander Tuesday where funeral services were held from the Methodist church at 10 o'clock in charge of the Rev. J. R. Cheuvront. The flowers were cared for by Grace Williams and Sylvia Ellen. Burial was in Ashland cemetery, the bearers being O. W. Elmore, W. E. Roberts, J. C. Erwin, Harry Campbell, John Morgan and Oliver Lewis.

Edward Toussaint of Pine Bluff, Arkansas; Charles Toussaint, of Baltimore, Maryland, and Frank Toussaint, of Champaign, Ill., have been spending the week here in the city visiting their mother, Mrs. Charles Toussaint, on East Court street.

Mr. and Mrs. Jeff Duckett of Chapin were among the shoppers in the city from that place yesterday.

Dr. Guthrie ended his strong address by telling of the remarkable growth of Methodist work in all branches. He told how the entire obligation of the Epworth League could be met as called for in the annual budget which provides for a month's expenditure of the membership of each chapter giving the sum of two cents each week.

At the conclusion of Dr. Guthrie's address Chairman Clyde R. Booth spoke briefly. This was followed by a question session concerning the best method of aiding the growth of the league in this district, and a song service.

Last time today of the big super special production, "Paying the Piper." If you are an easy spender you should see it. Rialto Theatre.

EPWORTH LEAGUE IS GREAT FORCE FOR GOOD.

Dr. C. E. Guthrie Told Audiences Benefits of Enlisting the Strength and Courage of the Young.

As a preliminary service of the Methodist Conference the Anniversary of the Epworth League was held at Centenary church Monday night. The chairman was Clyde R. Booth and the address was delivered by Dr. C. E. Guthrie, general secretary of the league. The devotions were led by Rev. A. A. Grummon and then came an institute with interesting addresses by Miss Gladys Davis and Miss Katherine Randle.

Dr. Guthrie discussed at some length the relation of the Epworth League to the Epworth League declaring this support justified.

The Courage of Youth.
In the first place he pointed out that the young people who enter the Epworth League dedicate their lives to the work of the Methodist church. This influx of the younger generations is one of the most needed elements in the church organizations. He told of the general attitude of the churches in most of our cities. It is defensive. With the younger generation in the harness to push the work of the church an offensive war would be waged because the youth of the country is not content to go slow as many older people would advise. Having lost the fire and confidence of earlier years.

This led to the second point, that of the initiative furnished by the young people. They have the zest that is necessary for the growth and development of the church organization and are fearless of obstacles that would daunt older heads.

The next quality which youth brings to the church is that of daring. Then he told of Sam Higgenbottom, the college freshman, who made up his mind to do something worth while in life and chose as his object the mastery of the great famine problem in India. He told of the famous study of soils and conditions and how at last he came forth victor with the wealth of the Indian princess laid at his feet as an offering of gratitude. Then he told the story of Willard Greenfield, the doctor who dedicated his life to relieve the suffering of the Labrador fishermen. With great dramatic force he told of the doctor's slow overcoming of the terribly adverse conditions of that frozen country. This is the quality that the youth of the country brought to the church. The dauntless courage and spirit that surmounts impossible difficulties. The next and last argument was that of the vision of the young people.

Money Is Well Spent.
These reasons, Doctor Guthrie stated, are enough to show that no money spent on the young people of the church will be foolishly spent. By statistics he proved that Christianity is a religion that appeals to the imagination and the fire of youth, and that few people become Christians after the age of twenty-five. They are recruited from the ranks of youth and youth answers the call nobly.

Dr. Guthrie ended his strong address by telling of the remarkable growth of Methodist work in all branches. He told how the entire obligation of the Epworth League could be met as called for in the annual budget which provides for a month's expenditure of the membership of each chapter giving the sum of two cents each week.

At the conclusion of Dr. Guthrie's address Chairman Clyde R. Booth spoke briefly. This was followed by a question session concerning the best method of aiding the growth of the league in this district, and a song service.

OLD JACKSONVILLE

GREETINGS TO THE ILLINOIS CONFERENCE

(BY ENSLEY MOORE)

Member Illinois State Historical Society

Jacksonville has always been a leader in good things, and its Methodists were leaders in the best things of all, the church.

Members of the Conference should know that our first Methodist organization was made in the year 1822, in the double log cabin of "Father" Jordan, on the lot where Passavant hospital now stands, and the spot was appropriately marked in August, just passed.

The good brethren not only organized their society in that early day, but the Methodist Society of Jacksonville erected the first brick church building in Jacksonville, and in Morgan county, in 1835. It stood on East Morgan street, north side of the street, about three doors west of East street.

The Rev. W. N. Rutledge, now of Champaign, Illinois, has kindly sent the "O. J." man the following communication:

The Rutledges and the Illinois Conference.

As the Illinois Conference will meet in Centenary church, Jacksonville, Sept. 7th, I desire to write a few lines for our many friends in Jacksonville and Morgan county.

The name Rutledge has been on the Conference roll of members eighty six years.

Rev. George Rutledge joined the Conference in 1835 and died just before the Conference held in Centenary church in 1871.

Rev. Hiram Buck preached his funeral sermon at that conference. He was a member of the conference 36 years. His son, Rev. W. N. Rutledge joined at that conference held in Centenary church in 1871 and has been a member of the conference fifty six years. The membership of father 26 and son 50 makes the 86 years.

The combined membership of my two uncles, my father and myself makes 189 years of Conference membership.

Rev. George Rutledge joined in 1835 and died in 1871, and was a member of the Conference 36 years.

Rev. William J. Rutledge joined in 1841 and died in 1900 and was a member of the Conference 59 years. Rev. Edward Rutledge joined the Conference in 1850 and died in 1917, and was a member of the Conference 44 years. Rev. W. N. Rutledge joined in 1871, and has been a member of the Conference 50 years. Rev. George Rutledge was pastor of the old east charge church in Jacksonville in 1835, and again in 1847. He lived in Jacksonville and traveled Sparta District in 1848; Alton District in 1851; Jacksonville District 1853-1856; Pleasant Plains District 1857-1858; Jacksonville Circuit 1859-1860; Jacksonville District 1861-1864; and Jacksonville District 1865-1870.

Rev. William J. Rutledge was pastor of East Charge Jacksonville in 1845-1846, and again in 1859 and 1860, pastor of the Jacksonville Circuit in 1864 and on the West Jacksonville Circuit, 1875-1877.

Rev. W. N. Rutledge was junior pastor on the West Jacksonville Circuit in 1871 and again in 1879. He was pastor on the North Jacksonville Circuit in 1880, and on the West Jacksonville Circuit in 1881 and on the North Jacksonville Circuit in 1882-1883.

Yours,

W. N. RUTLEDGE.

The writer cannot say what

PROBATE COURT

In the estate of Elizabeth F. Rolando, hearing was set for October 3.

In the estate of Allan R. Sturdy, petition to sell personal property at private sale was allowed.

In the matter of the adoption of John Theodore Simpson, leave was given petitioner to file amended petition as of Aug. 1; same filed and petition allowed; adoption granted to Charles T. Willoughby and Florence Willoughby.

In the estate of Francis H. Wemple, petition for letters of administration allowed; bond of \$50,000 approved and letters ordered to issue to Charles F. Wemple, administrator.

In the estate of Guy L. Zerby, of which J. J. Rayborn is the administrator, report of sale of real estate approved and deed ordered to issue.

In the matter of the conservatorship of Laura A. Harney, jury returned verdict finding said Laura A. Harney incompetent; George H. Harney appointed conservator; bond of \$1500 approved.

In the estate of John T. Bowen, report of sale of real estate approved, deed ordered to issue.

In the estate of Charles L. Stevenson, of which Gussie Stevenson is the executrix, inventory was approved; petition to sell personal property at private sale allowed.

ENJOY FISHING TRIP.

A group of Jacksonville people drove to Mercedosa Saturday and spent two days at the river. The time was pleasantly filled with fishing, swimming and other vacation pastimes. The party included Mr. and Mrs. Henry Taylor and family, Mr. and Mrs. George Wood, Mr. and Mrs. Clarence Smith, Erwin and Edward Brocken, Harvey Smith and Miss Ethel Taylor.

Knox and Stetson New Fall Hats. Frank Byrns.

Edith Rodgers of Andre and Andre's is enjoying her vacation.

EPWORTH LEAGUE WORKERS MEET

The executive committee of the Jacksonville district of the Epworth League held a cabinet meeting yesterday at Grace church at 3 o'clock. The gathering was in the nature of a business meeting and plans for the league work during the coming winter were discussed. Reverend Samuel Graves, president of the organization, presided.

Knox and Stetson New Fall Hats. Frank Byrns.

Mr. and Mrs. Sam Chulloner of Joy Prairie were visitors in the city yesterday.

YOUNG PEOPLE RETURN FROM MANTANZAS

A party of young people from this vicinity have returned to their homes after spending the past week at the San Souci cottage at Lake Mantanzas. The party included Wendell Dugger of Scottville, Miss Marie Megginson of Woodson, Mr. and Mrs. Leonard Watson and family of Woodson and Miss Mildred Ranson of Lynnville.

It's a Paramount feature production, "Paying the Piper." Rialto last time today.

William Burdstone was an Alexander arrival here yesterday.

The troubles may break out again in the mining regions of West Virginia, but it is noticeable that firing ceased immediately after the arrival of federal troops. In the most lawless communities of the United States respect for Uncle Sam's soldiers abides. There is a deep-seated trouble in the coal mining area, which the presence of troops cannot permanently settle.

One of the most surprising things to consider is the various measures passed for the relief of disabled veterans and the distressing conditions that still prevail. Great appropriations have been made for this laudable work, yet reports made from time to time show that obstacles of one kind or another have in many instances prevented the giving of relief in quarters where richly deserved.

A SUCCESSFUL FAIR

The Morgan county fair now in progress gives a touch of certain "good old days" which were really worth while. Some of the good old days that people talk about merely refer to primitive times

ENGINEER LOWIS FEELS FINE NOW

Says Handling His Engine is a Pleasure Since Tanlac Built Him Up So Well.

"Tanlac has put me in shape to where running my old engine is a pleasure," said Ernest J. Lewis, 1407 Sixth St., Peoria, Ill., a well known engineer on the Chicago, Peoria & St. Louis Railroad.

"Ten years ago I commenced to suffer with my stomach and kept getting worse in spite of all I could do. I had to live on cereals, milk, toast, eggs and the like, and even then the gas on my stomach would bloat me up and make me miserable for hours. There were awful pains around my heart and in my chest, and I had palpitation so bad I almost smothered. I had splitting headaches, was intensely nervous and was always taking something for constipation. Often when I got off my engine I was so tired I could hardly walk, and in the mornings I could hardly drag myself out of bed and had to lay off my run for two or three trips at a time. In fact I was almost a physical wreck.

"Tanlac was so well suited to my case that it wasn't long after I began taking it until I could eat and sleep much better, and now I am a well man. I just feel like I had never had an ache or pain anywhere. I have gained ten pounds in weight and am as strong as an ox and can handle my old engine as well as I could when I first got my run."

Tanlac is sold by leading druggists everywhere.—Adv.

ACHIEVEMENTS OF
ADMINISTRATION**

(Continued from Page One.)
governments of other countries
are faced with great deficits.
We must not over esti-
mate our good fortune and the
prudence of our congress which
permits us to balance revenue
and expenditure at a time when
deficits are the rule throughout
the world. We shall be greatly aided
in a policy of progressively reduc-
ing expenditure by the budget
law, Republican in origin, design,
enactment and execution.
"I do not hesitate to say that
in ordinary times it alone would
have been considered a highly
creditable chief product of a
year's legislative program. Yet in
a time of such legislative activity
as the present it is only one
among many measures of the
first importance to be enacted. It
was quickly followed by the
enactment of the immigration
law calculated both to limit the
inflow during a period of depres-
sion and to hasten the day when
we may effect the Americaniza-
tion of all newcomers to our
shores.
"The series of measures look-
ing to the amelioration of con-
ditions in the great agricultural in-
dustries would in other times
constituted a striking legislative
product of a year's session. These
include the law for control of the
packing industry, the act for the
regulation of grain exchanges,
and the law for the extension of
credits to farmers thru the war
finance corporation to enable
them to carry their crops until
the markets will absorb them.
The establishment of a veterans'
bureau insures a consumption of
those reforms in caring for our
disabled men which were inaugu-
rated by executive order. We
have established peace and are
seeking to establish the gener-
ous production and profitable ex-
change of foodstuffs and commodi-
ties under the conditions of
peace and corollary assurance of
good wages and general employ-
ment."

**GOOD ATTENDANCE
AT ROUTT COLLEGE**
The parochial school and
Routt college opened yesterday
with a very good attendance. The
parochial school had 326 students
present and Routt College 172.
The faculty for Routt College will
be the same as last year with one
exception. Professor Boyle, former-
ly of Fordham University in
New York, will teach English. The
school programs will be prac-
tically the same as last year.

**THE AMERICAN LEGION
MET LAST NIGHT**
The American Legion held its
regular meeting last evening and
the following delegates were ap-
pointed, John Larson, W. J. Har-
mon, Hugh Green, alternates A. B.
Applebee, R. Y. Rowe and Ray
Jennings. There will probably be
a large delegation that will wish
to attend the conference whether
delegates or not. If anyone wishes
to attend the conference arrange-
ments can be made with L. A.
Cain.

**WILL USE MOVIES
IN CHICAGO SCHOOLS**
Chicago, Sept. 6.—Moving pic-
ture films will be used in the
Chicago schools this year to teach
geography, history, physiology, and
other studies it was announced
today when the public schools
reopened.
"Authorities claim children ob-
tain from 75 to 90 per cent of all
their information thru their eyes,"
said Superintendent Mortenson.
"Therefore visual education is
more essential than any other
method."

INJURED BY RED HOT IRON
Charles Cobb of 898 Routt
street was painfully injured yes-
terday morning while working in
the C. P. & St. L. shops where he
is employed. A fellow worker ac-
cidentally struck Cobb in the face
with the end of a red hot iron bar.
The iron struck Cobb's right eye-
lid and inflicted a painful injury
to the eyebrow and eyelid. The
burn was very painful but will not
bring any serious results accord-
ing to reports of the doctor who
was called to care for the injured
man.

Mrs. Ora Eldridge was a Wood-
shopper in Jacksonville yes-
terday.
J. A. Cully called in the city
from Strawn's Crossing yester-
day.
Lilburn Kinnett was an arrival
from Orleans in the city yester-
day.

**INSURANCE COMPANY
AIDS HOME BUILDERS**

One Life Insurance Company Has
Loaned \$40,000,000 to Build
Homes and Apartments—Un-
usual Feature Is Small Average
of Each Loan.
CHICAGO.—Fifty million dol-
lars has been loaned to build
homes and apartments by one
American life insurance company
as a result of the housing con-
ference called last year by gov-
ernment officials, the Chicago
Trust company announced today.
This Chicago institution, hand-
ling the loans for the insurance
company in Illinois, Wisconsin,
and northern Indiana, announced
that in this state \$2,000,000 of
the fund has been spread suffi-
ciently to build five hundred
homes and apartments, while new
buildings are now going up at the
rate of eighty a month. These
places have been erected in sixty
cities.
The unusual part of the plan,
according to the banking officials
is the small average for each loan
which is said to indicate that the
construction is done for small
home builders. The Illinois loans
average about \$4,000 each, which
is approximately half the value
of building and lot in each case.
The banking officials said that
the insurance company does
about as much clerical work in
making one of these small loans
as it would in putting out the en-
tire forty million dollars in a few
big loans, and that the large loan
policy is the one usually favored
by American companies with vast
sums to invest.
The repayment on the loans to
homebuilders by this particular
company in Illinois and vicinity
averages about eight dollars a
month per thousand dollars
covering both interest and prin-
cipal.

**ARMED BANDS ROAM

members who fled from com-
pany houses in Rosview last
week when it was reported the
town was to be shot up and then
burned, are back in their homes
today having been escorted back
by State's Attorney Forward. Ac-
counts of the exodus from Ros-
view differ.
The strikers claim mine guards
and private detectives imported
by the town force of Elizabeth-
town after four village marshals
resigned one after another had
threatened to attack Rosview fol-
lowing a battle on the 25th, in
which four detectives and four
miners were shot.
State's Attorney Forward how-
ever, says he has four statements
from wives of miners that a
strike organizer by the name of
Carbine ordered the women and
children to leave the town and
then had photographers station-
ed along the road to take pictures
of the fleeing refugees.
The members of the church
and congregation of Congrega-
tional church are making arrange-
ments to give the pastor, Rev.
George E. Stickney and wife a
reception Friday evening, Sept. 16
when most of the vacation absent-
ees will have returned home. It is
the plan to have a real family
gathering, everybody welcome,
supper free, pleasant and inform-
al and a good time generally.

Report of Officers.
Reports of officers were re-
ceived and placed on file. H. K.

**PETITION OPPOSES
SUNDAY MOVIES HERE**

Council Hears From Nine Hun-
dred Who Favor Present The-
ater Plan—Do Not Object to
Vote Plan—Officers' Reports
Received.
At the session of the city
council, held Tuesday night, a pe-
tition was presented, signed by
922 persons, asking the council
not to pass an ordinance author-
izing the opening of moving pic-
ture theaters on Sunday.
This petition was presented
to the council by Rev. W. H.
Marbach and Rev. M. L. Pontius,
representing the ministerial union.
They made it plain that the
petitioners did not mean to ask
the council not to submit the
question of Sunday pictures to a
vote, but filed the petition sim-
ply as an answer to the petition
already made a matter of record,
wherein a request was made for
the immediate passage of an or-
dinance permitting the theaters
to open.
In other words, the ministers
and those who signed the petition
with them are entirely willing
that the whole matter should be
submitted to a vote of the people.
The petition was received and
placed on file.
Roll call showed Mayor Crab-
tree, City Clerk Scott, Alderman
McGinnis, Flynn, Loneragan, Cain,
Chapin and Williamson present.
The matter of opening the tavia
pavement on South Clay avenue
for a property owner who desires
to make a water connection was
referred to the city engineer and
the street commissioner with
power to act.
The present ordinance fixing
the fees does not properly apply
to tavia or asphalt pavements,
and a new ordinance is in the
course of preparation.

Ministers Explain Petition.
After the minutes had been
read and approved and bills
ordered paid, the petition with
reference to motion pictures on
Sunday was presented. Mr. Mar-
bach said the members of the
ministerial association have high
regard for the mayor and mem-
bers of the city council, and have
belief that they are sincerely seek-
ing to act for the best interests of
the city. He said that the mem-
bers of the association realize
that it is the duty of the council
to do as nearly as possible carry out
the will of the majority of the
people. Mr. Marbach said further
that the ministers believe that a
question of great moral signifi-
cance is involved in the present
proposal and that they do not be-
lieve the good of Jacksonville
will be subserved by the passage
of an ordinance permitting Sun-
day to be commercialized by the
opening of the theaters.
Rev. Mr. Pontius said that the
922 names on the petition had
been secured with comparative
ease and that it should be clearly
understood that it is not the wish
of the petitioners to prevent the
matter from coming to a vote of
the people. Like Mr. Marbach,
he said that the ministerial asso-
ciation felt that the members of
the council earnestly desire the
best things for the city and in-
dicated further the wish of the min-
isters to co-operate heartily with
the council in fostering those
things that make for the upbuild-
ing of the city.

Report of Officers.
Reports of officers were re-
ceived and placed on file. H. K.
Chenoweth, city treasurer, re-
ported a balance in the general
fund of \$4,236.82. John Pires,
sexton of Jacksonville cemetery,
reported four graves made, and
Harry Summers, sexton of Dia-
mond Grove cemetery, reported

nine graves made in the month of
August.
The report of Frank Kiloran,
chief of police, showed 17 arrests,
with collections of \$85.80. The
arrests were for the following
causes: Disorderly conduct, 3;
disturbing the peace, 3; assault
and battery, 1; drunkenness, 5;
forgery, 2; larceny, 1; runaway
lads, 3.
W. H. Cobb, water superin-
tendent, reported total collec-
tions of \$4,362.17. Of this sum
\$4,249.30 was for water rent, the
remainder being from miscellan-
eous sources.
J. E. Scott, city clerk, report-
ed receipts as follows: From Dia-
mond Grove cemetery, \$495.50;
from Jacksonville cemetery,
\$309.60; from city clerk's office,
\$3,644.72.
J. M. Coons, justice of the
peace, reported fines and costs,
\$132.30; J. P. costs, \$45; paid
to the city, \$87.80.
J. A. Crum, justice of the
peace, reported fines and costs of
\$85.80; J. P. costs, \$30; paid to
the city, \$55.80.
The report of Dr. A. M. King,
city health warden, showed total
deaths in the city during the
month of August, 27. The range
of ages was: Under 1, one; 20 to
50 years, five; 50 to 70 years, six-
teen; over 70 years, five. Contag-
ious diseases existing in the city
include: Diphtheria, 1; infantile
paralysis, 2; whooping cough, 3.
Douglas Hunt of Markham was
among the city arrivals from
that place yesterday.
Charles Middleton represented
R. R. 1, in the city yesterday.

Range sold between
Sept. 4th and 11th.
BUY NOW

Now is the Time to Buy Your Range. The
prices of Great Majestic ranges are so
low that it is a question whether or not
they can remain at the present level. By
buying a Great Majestic now you take
advantage of the saving offered you by
the low price. And in addition to that, if
you buy your Great Majestic this week
you also profit by the big generous gift
offer—the handsome \$12.00 set of cook-
ing ware simply costs you nothing.

Come to Our Demonstration This Week.
All this week the representative of the
manufacturer will be here to help us
show you the details and distinctive ad-
vantages of the wonderful Great Majes-
tic. Come and see for yourself every de-
tail that contributes to the popularity of
this well-known range.

The Range With a Reputation. For a
long and satisfactory service the beau-
tiful Great Majestic is in a class by itself.
It saves you money on fuel—it lessens
work in the kitchen—it insures deligh-
ful consistent baking results. And Great
Majestic ranges last for years and years.

**AUTO
ELECTRIC
SERVICE**

Complete in every branch,

**Styles
of "Sweet
Sixteen"**

Our new fall styles
for women's low shoes
have that snap and
smartness of "sweet
sixteen."

All women are young
in these days and
times. Our new fall
footwear makes them
still more youthful.

Trim, neat, graceful
proportions that en-
hance without enlarg-
ing the foot. We will
enjoy showing you
some of the most
beautiful models pro-
duced for fall and win-
ter wear.

**EDWIN
SMART
SHOE
CO**

Beautifully Finished Throughout. Grea
Majestic ranges are beautiful to look at
Also they are unusually easy to keep
spick and span. The polished cooking
top is burnished a deep rich lasting blue
No blacking required—an occasional ap-
plication of paraffine is all that is ever
needed to keep the top bright and gleam-
ing. All surfaces are perfectly smooth
—an advantage gained through the
Great Majestic unseen-rivet construc-
tion. The trimmings are all heavily
nickeled for lasting beauty.

Built for Years and Years of Service. In
every detail the Great Majestic is dur-
ably constructed of the very highest
quality materials. Bodies are of Char-
coal Iron. They resist rust and last three
times longer than steel. Frames are
malleable iron—practically unbreak-
able. Heavy asbestos lining prevents loss
of heat—conserves fuel. Heat-tight riv-
eted construction insures perfect heat
control throughout the long life of the
range.

**Come in early this week—look the Great Majes-
tic over carefully. Take advantage of the pre-
sent exceptionally low price—get the complete
set of cooking-ware FREE!**

Johnson, Hackett & Guthrie

OBSERVED GOLDEN
WEDDING ANNIVERSARY

Mr. and Mrs. D. K. McCarthy Pass Day Quietly—Mr. McCarthy Is a Patient at Passavant Hospital.

Mr. and Mrs. D. K. McCarthy quietly celebrated their golden wedding Monday. For reasons all will understand they had no gathering of friends but quietly sat together in the pleasant room occupied by the invalid in Passavant hospital and talked over the past. Had the fact of the anniversary been known to their friends, a great many would have tried in

some acceptable manner to show their love and appreciation of the worthy pair who have so harmoniously passed a half century together, setting before all who know them a good example and endeavoring to follow the example of him whose they are and whom they serve.

Mr. McCarthy was born in Galia, Ohio, Jan. 17, 1846, and was the son of George Adams McCarthy and Lydia Knapp McCarthy. He was a child of Godly parents, who tried to rear their children in the nurture and admonition of the Lord and their subsequent careers showed that they well succeeded.

When Mr. McCarthy was ten years of age the family moved to Illinois and settled near Arenzville, where the father bought a farm, which remained for many years in the family.

Adventures in West.

The boy wanted a little experience, however, and at the age of eighteen started west and for four years led a life of adventure, peril and excitement, but during it all he contracted no bad habits, keeping clear of the temptations which so beset the persons of that day and locality. He entered the employ of the managers of the overland stage line between Atchison, Kansas, and Sacramento, California. In this occupation he had a variety of positions, stage driver, stock feeder, express messenger and other. During those years the Comanche Indians were uncomfortable numerous and near. At one time in Colorado they were attacked by sixty redskins. They made a rampart of a natural ridge and, being well armed, the savages, though not more than four hundred yards away, didn't care to risk the fire they would have encountered by making a charge across the open. The Indians had killed a herder and they in turn killed two Indians and wounded another. They also killed a pony and captured one. The bride used by the Indians was very crude, being merely a strip of hard buckskin, long and tied at the ends and passed through the pony's mouth.

What saved the lives of the stage force was a creek and a lake behind them, preventing the Indians from surrounding them with their superior numbers. Toward night the Indians began circling around armed with both bows and arrows and guns. They would hang on one side of a pony and shoot under the animal's neck, but they did little execution.

Mr. McCarthy was lying behind the natural breastwork when he took a notion to make a run toward the train when the bullets

from the redskins whistled about him most uncomfortably and he decided he would best lie down. The red men burned the station barn. At dark it began to rain hard. Ac McCarthy was lying in his place an Indian rode toward him and we would have bagged him but the others shot the Indian's pony which fell and made a breastwork for the rider. The fellow was wounded, however, but his comrades let him lie until it was quite dark, when they rescued him and retreated.

As there had been no stage arrival for several days the agent finally came along to ascertain what the trouble was. The redskins went away and the trip was resumed. Mr. McCarthy was acting as guard on the driver's box when they saw a good distance ahead of them a troop of horsemen and naturally the feared Indians and all sorts of things, but were not the retreating kind, so kept right on, and at last found, to their great relief, that the horsemen were U. S. cavalry. The stage driver, as a precautionary measure, had driven a good bit to one side for it would have been folly to try to cope with such a body had they been hostile Indians.

A great many adventures were passed thru by the young adventurer during those four years, but like all really brave men, he is very slow to tell about them and only the foregoing was secured by close questioning. He returned to civilization at the end of four years of western adventure and went to work farming in the vicinity of what is generally known as Crackers' Bend, tho of late the greater part of the good people of that neighborhood prefer to call it Grace Chapel neighborhood.

Married in 1871.

September 5, 1871, he was married to Sally Goodpasture, daughter of J. H. and Mahala Goodpasture, and truly it may be said of them, as told by the motto which hung over their door and which the writer repeats from memory:

"Christ is the guiding spirit of this household."

The unseen guest at each meal. The silent listener to every conversation.

A little son, Malcolm, came to gladden their hearts but the Good Shepherd called for the lamb when the latter was but six months old.

Nellie was a bright, vivacious, sweet and lovely girl and young woman. She was married to Mr. Silex, but lived only a little more than a year after that and went to her reward.

Mr. and Mrs. McCarthy were leading spirits in church and Sunday school work for many years and were always glad to serve the good cause. Both are readers to a great extent and have a large stock of general information.

Eight years ago they moved to sunshine cottage in the town of Litterberry, where they have since resided, living quietly and unostentatiously, but there they have let their light shine in many ways.

A few weeks since Mr. McCarthy was taken violently ill and for a time seemed in great danger, but was well on the road to recovery when another trouble appeared and he was taken to Passavant hospital where he is now under treatment, and it is needless to say that the prayer and desire of a host of friends are that he may speedily recover.

We want you to see our new millinery department. Everything new. Hats the very latest in style.

FOR DANCE MUSIC

There's No Equal to the
Gulbransen

Real music—personally played music—new music or old—always on tap for dancing, if you have a Gulbransen Player-Piano. Fast or slow, loud or soft, accented as desired, repeated or changed.

Anyon. can play the Gulbransen without effort. Take your turn and chat while you play. It gives everyone the oft' wished for excuse to rest. And playing the Gulbransen is really delightfully restful.

On other occasions, when better music invites you to play with feeling and intelligence, the Gulbransen invariably brings compliments to the musician. It is the one player-piano which has been developed to assist true musical interpretation.

Mrs. Herbert Paul, of Pueblo, Colo., and Mr. Cammy of Carrollton returned Tuesday to Carrollton after a visit with Mrs. Martha Paul in Winchester.

Mr. and Mrs. George Hogan visited Sunday with friends in Modesto.

Mrs. Floyd Violet and son, Mac will leave Wednesday for Salt Lake City, Utah.

Russell Redshaw is now a student at Brown's Business college in Jacksonville.

Mr. and Mrs. William McLaughlin and daughter and Mr. and Mrs. Joe Patrick spent Tuesday in Jacksonville.

The Baptist church people are making preparations for the chicken and fish fry which will be served on the church lawn Thursday evening.

BOARD OF EDUCATION
MET TUESDAY NIGHT

W. J. Wood, Appointed Engineer and Head Janitor of High School and David Prince Buildings—Many Other Matters are Discussed.

The board of education met in regular session last evening and performed routine business. An engineer and managing janitor was appointed for the high school and David Prince plant; several special bills were ordered paid; the superintendent reported the new building in very good condition but few minor matters to be seen to; a fine concert grand piano was bought of Mrs. Sarah Riddle.

The Proceedings.

The board met in regular session with all present except members Metcalf and Rapp. President Lippincott in the chair.

Bills amounting to \$1297.56 and payroll, \$1593.65 were ordered paid. It was reported that the contractors, Messrs. English Brothers had accepted the bonds of the board at par in payment of their dues which had been stilled less \$500 retained to insure some minor defects to be repaired.

The architect is expected here today to give the structure a final looking over and see that all is in shape.

The heating plant in the Franklin school is being overhauled and will doubtless be in shape by cold weather.

The matter of engineer and janitor for the high school and David Prince plant was discussed at considerable length and it was finally decided to employ W. J. Wood, engineer and managing janitor of both buildings he to recommend to the board the men he desires employed to work under him.

The question of the charge for the use of the auditorium was discussed and views expressed. The desire is to co-operate with all enterprises strictly for education and enlightenment; also not to compete with the managers of the opera house. On the other hand it costs to open the auditorium and the board should have proper remuneration based on the cost. The price of admission charged and the like so the matter was referred to the building and grounds committee to frame a schedule of prices and submit it.

The superintendent reported a probable enrollment of 600 in the high school and the hope was that they would be able to go ahead without any additional teachers. Miss Newman would be placed in charge of the cafeteria with instructions to make it self supporting except her salary.

The needed equipment is expected so that it may be set going in a week or two.

Member Fiedler Resigns.

Member Fiedler sent in his resignation as he would probably be absent so much for some time to come he would be unable to perform the duties satisfactorily. It was received with regret. The president and chairman of the finance committee, Member Rogers, were instructed to secure a successor and Supt. Perrin was named pro tem.

The superintendent reported great trouble in getting the laboratory equipment from Sheldon & Co., the contractors and the secretary was instructed to send them a night letter or telegram advising them if they could not complete their bid in accordance with their bid and certified check the goods would be bought elsewhere.

Bill of Compton & Co. for printing bonds, \$46.35 was ordered paid.

All certified checks of bidders were ordered returned where bidders have entered into contract an furnished suitable bond.

The committee to investigate water supply was continued. As the city water is now safe it may be wise to install drinking fountains in the buildings but no action was taken.

Supt. Perrin said as a whole the new building was in very good condition. The things lacking are small and insignificant.

The high school building committee was instructed to get bids on suitable gutters and downfalls for the corridors.

The high school committee reported that the special insurance obtained during construction had expired and bills for same had been presented and the buildings and grounds committee was instructed to see to the matter of suitable insurance in accordance with the regular insurance program.

An order to the Gause estate was ordered drawn in accordance with Architect Royer's certificate less \$500.

A Chickering grand piano was purchased of Mrs. Sarah

MISS HAZEL EZARD OF
WOODSON IS BRIDE

Marriage of Russel McAlister of This City and Miss Hazel Ezard of Woodson Took Place Last Night—Other Woodson News.

Woodson, Sept. 6.—The marriage of Miss Hazel Ezard of Woodson and Russel McAlister of Jacksonville, took place at 8 o'clock Tuesday evening, Rev. L. L. Fuller, pastor of the Christian church, performing the ceremony at his home here. The only witnesses to the ceremony were Mrs. Nettie Ezard, mother of the bride, Harry and Russell Ezard, brothers of the bride, Miss Grace McAlister, sister of the groom, and Dr. G. W. Miller of Woodson.

The bride is the daughter of Mrs. Nettie Ezard and is one of the most popular young women of Woodson. She attended the schools of her home town and later was a student at the Jacksonville high school.

Mr. McAlister is a son of Mr. and Mrs. Jordan McAlister and is a member of one of the prominent families of the Woodson community. He also attended the Woodson schools and later graduated from the Jacksonville high school. During the World war Mr. McAlister served for a number of months overseas with a machine gun battalion. For Monday where they have been for the owners of the New System bakery in Jacksonville, and has been very successful in his business undertaking.

Mr. and Mrs. McAlister left last night for a visit of ten days with Mrs. Elsie Dewese, sister of the groom, at Rantoul. Upon their return to Morgan county they will be at home in Jacksonville. Their many friends unite in extending congratulations and best wishes.

News Notes.

Rev. A. E. Powell, pastor of the Presbyterian church, has returned after a vacation visit in the north.

The Aid society of the Christian church is serving the meals at the Morgan county fair in Jacksonville. They reported very liberal patronage for the first day.

Mr. and Mrs. Charles Watt and daughter and Mrs. James Hitch returned from Kansas City Monday, where they have been for a week past. The trip was made in Mr. Watt's car.

A homecoming celebration will be held at the Christian church next Sunday. There will be dinner at noon in the church basement and in the afternoon an address will be made by Rev. M. L. Pontius of Jacksonville. There will also be a "say so" meeting during the afternoon.

A series of special meetings will begin at the Christian church next Sunday, in charge of the pastor, Rev. I. H. Fuller, assisted by C. E. McVay of Clear Brook, Va., who will lead the singing.

Last Sunday was "visitation day" at the Christian church, when the members made calls for the purpose of calling attention to the special meetings which are soon to be conducted.

CHAPIN RESIDENTS AT
ASHLAND REUNION

Chapin, Sept. 6.—Mr. and Mrs. W. Woodward motored to Ashland Sunday, where they were guests at a reunion of their old time friends and acquaintances. The affair was held at the beautiful country home of Mr. and Mrs. C. L. Donaldson. A bountiful dinner including fried chicken and other good things to eat was served at noon on the lawn, and this feature was one which the twenty-four guests especially enjoyed. The afternoon was pleasantly spent in conversation and a number of group pictures were taken. During the afternoon several fine watermelons were served. At 5 o'clock the guests departed, promising to meet again at the same time and place next year.

The following persons were present: Mr. and Mrs. A. S. Culter, son and daughter, of Ashland; Mr. and Mrs. William William Scholes and family, Little Indian; Mr. and Mrs. Webster Bood and daughter, Louise Ashland; Mrs. Sarah Scholes and daughter, Edith, of Princeton, Ill.; Mr. and Mrs. Walter Woodward; Chapin; Mr. and Mrs. C. L. Donaldson and family, Ashland.

MANY LEAVING FOR COLLEGE COURSES

Roodhouse Young Men and Women Go to Further Education—Sunday School Has Picnic.

Roodhouse, Sept. 6.—Egress of young people soon to higher institutions of learning, attract many this year. An unusually large number of young men and young ladies are preparing to leave Roodhouse this fall to enter various colleges and universities.

Those who are leaving home for the first time are busy preparing for the important event, while the "oldtimers" are making drawing to a close. The exit will occur with much regularity between the 15th and 30th of September, although a few go earlier. John Walker left last Thursday for Rolla, Mo., where he is taking a mining course at the state school of mines. This is his second year there. Doyle Ainsworth left Monday for Rolla, where he also will attend school this year in company with Walker. Doyle will take civil engineering. His father, Harry C. Ainsworth, accompanied him as far as St. Louis.

Synn Kincaid will resume his dentistry course at St. Louis university. C. William Pates will continue at the Northwestern Dental College in Chicago. William Merrill will again be a student at Minneapolis, Minn. He was not at home this summer but spent his vacation at Taylor Falls, that state. Kenneth Hunt returns to Champaign to continue the agricultural course at the state university. Haley Barrow will return to the state university where he also is taking the agricultural

course. Koesmer Millemira resumes the course in electrical engineering at the state university. This is his third year. Francis Thurm, who is studying for the medical profession, will graduate from Illinois college at Jacksonville next spring. Miss Alma Shuman also will complete a four-year course at Illinois college next year.

Among the last spring graduates from Roodhouse high school who will pursue advanced educational work are the following: Miss Helen Scott goes to Lindenwood college, St. Charles, Mo., where she will study journalism; Miss Janet Jones will attend the Iowa state normal school at Cedar Falls, Iowa; Miss Helen Bates will enter the art design classes at the normal university at Normal, Ill.; Miss Henrietta Rugele has decided upon domestic science at Normal; Miss Martha Fitzpatrick is to specialize in kindergarten at Normal; Manfred Brickey will take agriculture manual training and coaching at Normal. Roodhouse will have a strong representation at Illinois college, Jacksonville, as well as Normal. Besides those previously mentioned are the following 1921 graduates who will enroll at Illinois: Orval Foreman, law student; Robert Rawlins, law student; John Roodhouse, forestry.

Mr. and Mrs. Damon Griswold and Mr. and Mrs. Scott Davison and daughter, of Blue Mound, Ill., were guests of Mrs. C. W. Jones here last Friday. They had been in attendance at the Swallow family reunion the day before.

On Thursday afternoon of last week forty members of Friendship class of the M. E. Sunday school motored to the spacious home of Mrs. John Hunt, southeast of town, where they spent a most delightful afternoon. The most amusing event of the afternoon was an athletic "meet," participated in by all present. Mrs. Dave Harris, president of the class, directed, while Mrs. Etta Gerbing Wood and Mrs. Nina Hale Smith served as captains. The meet ended with a tie score, each side winning 17-12 points. In the late afternoon delicious refreshments of sandwiches, salads, pickles, with tea and cake were served. The committee in charge included Mrs. Carl Savage, teacher of the class; Misses Baker, Wintler, Palmer, Wise, Fenton, Bradley, Starkey, Ruyle, Sink, Keller Hunt and Miss Mae Wolfe, secretary. Miss Savage has taught the Sunday school and has been superintendent for a number of years.

DINNER GIVEN BY MRS. MILLION

Was in Honor of Birthday of Little Niece—Other Murrayville News Notes.

Murrayville, Sept. 6.—Mrs. Nettie Million was hostess at a dinner party given Friday evening, Sept. 2, at her home in honor of the tenth birthday of her little niece, Miss Marjorie Barton. The dining room was made beautiful with decorations of pink and white and a three course dinner was served by the hostess. The guest list included Mrs. Ada Barton, Miss Stella Cunningham, Harold Cunningham, Misses Velma Hayes, Lucille Lovell, Thelma Solomon, Marjorie and Pauline Barton and Keldon Solomon.

The musical program given at the M. E. church Sunday evening was a grand success. Each number was well rendered.

Mr. and Mrs. George Edman and son, George, Jr., of Jacksonville, spent Sunday and Monday with T. G. Beadles and family. Mr. and Mrs. C. T. Daniel returned home Sunday evening from a visit in Chicago and several other points.

Mr. and Mrs. S. B. Robinson and Miss Ruth Jones were guests at a birthday dinner Sunday at the home of Mr. and Mrs. D. G. Crouse. The occasion was in honor of Mr. Crouse's birthday.

Mrs. W. W. Walker of Peoria came Saturday for a visit with her parents, Mr. and Mrs. C. T. Daniel.

Mr. and Mrs. C. J. Vaughan of Jacksonville Sunday evening with home folks of Mrs. Vaughan's.

F. W. Story returned home last week from a visit with his nephew, Gus Grossman and family, of near Shelbyville.

Mrs. H. F. Boggess will take Miss Lulu Coultas' place as teacher of the primary department in our school for a short time on account of the serious condition of Miss Coultas' mother, Mrs. George Coultas.

Mrs. Lela Matthews of New York is visiting her sister, Mrs. Carl Rousey and other relatives here this week.

William Wade was a business visitor in Springfield Saturday.

Mrs. Anna McCarty of Manchester, spent the week end with her daughter, Mrs. Harry Cade and family.

The Ladies' Aid society of the M. E. church will serve lunch at G. R. Jones' sale near Winchester Tuesday.

Mr. and Mrs. George Simpkins of near Jacksonville, were guests Sunday of the latter's parents, Mr. and Mrs. J. K. Cunningham.

H. J. Hammond and son, Ralph, of Jacksonville, visited his brother, George Hammond, Sunday.

Rev. J. E. Curry of Waverly, preached at the Baptist church Sunday morning and Miss Madge Ramsey of Marion, Ill., a state missionary worker, gave a talk there Sunday evening.

S. F. Sooy and family and Mrs. Martha Haynes were guests of relatives near Virden Sunday. Mrs. Haynes remained for a longer visit.

Mr. and Mrs. B. D. Cade and little daughter, Charlotte, of Jacksonville, were visitors Sunday with Mr. and Mrs. Edwin Cade.

Miss Olive Engel, 414 E. State street, announces that she will receive piano pupils for the teaching season of 1921-22. Miss Engel is a graduate of the Illinois Woman's College in piano and organ. The patronage of all interested is solicited.

MANCHESTER

Manchester, Sept. 6.—Miss Helen Saye has gone to New Berlin, where she will teach the school at Brown's Crossing this winter. The school opened Monday.

Dr. and Mrs. J. W. Weis returned Sunday evening from a two weeks' visit with their son, Stanley and wife, at Mattoon. Stanley and wife returned with them and the latter remained for a visit with her father, J. C. Andras, Sr. Mr. Weis returned Monday morning.

L. A. Mehrhoff and family of Winchester and William Mehrhoff of Barrow visited Mrs. Priscilla Stephens Sunday.

Miss Ruby Dean went to Sinclair Sunday, where she has been engaged to teach Hazel Dell school.

HEAVY RAIN FALLS AT WHITE HALL

Rain and Electrical Storm Passes
Over City Sunday—Sangamos
Break Up Baseball Team.

White Hall, Sept. 6.—A rain and electrical storm passed over this section after 9:30 o'clock Sunday night. The fall at White Hall was 1.95 inches. There was no storm damage as far as reported. Vegetation was not greatly suffering, but country roads outside the oiled districts were becoming exceedingly dusty.

What is believed to be the strongest team that has appeared on Legion park this season was the aggregation that came over from Modesto Sunday and went up against the Invincibles in the seventeenth game of the season for the latter club, and the Modestoites gave the Invincibles their second defeat, the score being 6 to 5 in Modesto's favor. Modesto plays baseball like it plays basketball and football. On Saturday the Invincibles played Wrights in Legion park, the score being 12 to 9 in favor of White Hall.

Plans are on foot for a reorganization of the first team that made such an enviable record this season up until the game with the Sangamos last Thursday, when they simply blew up and only fragments of a team have been resurrected. The trouble originated with the assumed bossism of one of the imported players, A. E. Knight, G. W. Boyd and a total of twenty citizens have proposed a reorganization to Manager C. A. Whiteside that will complete the season, and such good backing must be considered. With the fine record of the team all season, the public had every reason to expect a great game on the occasion of the visit of the Sangamos, but on the contrary the local team went to pieces, and the main efforts of the Sangamos were centered on guarding against being run to death around the bases.

With the ending of the summer vacation season, one company of ladies spent Saturday evening at the country home of Miss Bernice Huff, six miles north of Hillview at a 6 o'clock dinner. Miss Huff is soon to leave for Chicago to enter upon a course in the University of Chicago, after holding a high school position in White Hall for several years. Mrs. L. V. Rowland, a member of the party, returned to St. Louis Sunday, and Mrs. Leslie Hawk returned to Kansas. Miss Ameda King will return to Champaign this week to resume her secretaryship with one of the professors. Mrs. L. V. Halbert came over from Springfield for the event. Other members of the party were Misses Rua Perry and Lillian Ross, Mead; Simon Vanderheyden, Carl Lowenstein, G. R. Waddell, Emil Schram, L. L. Seely and E. B. Giller.

A claim for back pay in favor of Edwin M. Bates is approved and remains unpaid in the pension bureau at Washington. Bates formerly resided at White Hall, and enlisted in the Civil War from here, serving as second lieutenant of Company G Illinois Infantry. The whereabouts of Bates or any of his heirs should be promptly reported to R. B. Pearce, White Hall, Ill.

Millions one day; poverty the next. They "Paid the Piper." Rialto today.

NEWS OF THE SPORT WORLD

COTERIE CLUB ISSUES PROGRAM

Many Interesting Topics Will be Discussed by Club—Chaplin News Notes of Interest.

Chaplin, Sept. 6.—The Joy Club, "The Coterie," have issued the following programs for the year beginning September 7th.

Mr. and Mrs. Stanley Post of Jacksonville spent the week end with Mr. and Mrs. Chas. Thomason.

Charles Judy was a local caller yesterday from Tallula.

INDIAN WIN CLOSE GAME FROM BROWNS

CLEVELAND, Sept. 6.—Cleveland defeated St. Louis by 2 to 1 today in a pitchers' battle between Mails and Vangilder. Elmer Smith drove in the winning run with a double. Smith, who had made seven consecutive extra base hits, establishing a record, failed to hit today on his first two appearances at bat. A phenomenal pickup and throw to the plate, retiring Vangilder, who had tripled in the eighth inning, prevented a tie game. Score: St. Louis, 0; Cleveland, 2. Cleveland, 001 001 00x—2. Vangilder and Severeid; Mails and O'Neill.

Cardinals Win Two More Games

Again Take Cubs Into Camp in Pitchers' Battle — Hornsby Goes Hitless in Both Games.

St. Louis, Mo., Sept. 6.—Both games went to the Cardinals here today on excellent pitching and timely hitting by a score of 1 to 0 and 3 to 2. In the second game First Baseman Fournier was hit by a thrown ball and retired. Later examination proved the injury of a minor nature. Bailey started the second tilt after winning the first, but retired in favor of Haines.

Score: First Game: Chicago: AB. R. H. O. A. E. Plack, rf. 3 0 0 1 2 0 0. Hollister, ss. 4 0 0 3 5 1 0. Terry, 2b. 4 0 0 1 2 3 0. Deal, 3b. 4 0 0 1 1 0 0. Barber, lf. 2 0 0 1 0 0 0. Cardinals Win Two More Games

Again Take Cubs Into Camp in Pitchers' Battle — Hornsby Goes Hitless in Both Games.

St. Louis, Mo., Sept. 6.—Both games went to the Cardinals here today on excellent pitching and timely hitting by a score of 1 to 0 and 3 to 2. In the second game First Baseman Fournier was hit by a thrown ball and retired. Later examination proved the injury of a minor nature. Bailey started the second tilt after winning the first, but retired in favor of Haines.

Score: First Game: Chicago: AB. R. H. O. A. E. Plack, rf. 3 0 0 1 2 0 0. Hollister, ss. 4 0 0 3 5 1 0. Terry, 2b. 4 0 0 1 2 3 0. Deal, 3b. 4 0 0 1 1 0 0. Barber, lf. 2 0 0 1 0 0 0. good as new. Call 735 W. Rail-
road street. 9-4-11

Daily Market Report

HEAVY TRADING ON STOCK EXCHANGE

By Associated Press.
NEW YORK, Sept. 6.—Re-
sumption of business on the stock
exchange today after the pro-
longed recess was accompanied
by further involuntary retirement
of the short account and intermit-
tent signs of public interest.

Trading was on the largest and
most comprehensive scale of any
day in several weeks. Specula-
tive issues were the principal
beneficiaries, however, notably
industrial and specialties.

Latest happenings in the Mexi-
can situation especially the an-
nouncement of an agreement be-
tween American oil interests and
the Mexican government placed
these shares in the front rank of
the day's operations.

Mexican Petroleum's initial
gain of four points was speedily
extended to 6 1/2. Kindred issues
rose 1 to nearly 3 points.

Prominent steels, equipmen-
ts, coppers, shippings, sugars, toba-
cos and chemicals, likewise
motors and their accessories gained
1 to 1 1/2 points. The entire list
was subjected to sharp down-
ward revision before the close,
however. Sales amounted to
35,000 shares.

Any tendency toward easier
money conditions was nullified by
last Saturday's clearing house
statement which reported an ac-
tual deficit of cash reserves. All
call loans negotiated at 5 1/2 per
cent and time offerings were
scarce.

A decline of slightly more than
two cents in sterling exchange
was attributed to sentimental
causes notably the Irish situation.

French and other continental
bills were reactionary especially
Holland and the Scandinavian
countries.

Bonds derived much of the up-
ward impetus of the better tone
of the stock market. Mexican and
Belgium issues were distinctly
strong with other foreign offer-
ings. Converted rails added to re-
cent gains but liberties were ir-
regular. Total sales (par value)
\$19,250,000.

FOR SALE—Practically new Oc-
ean Wave washer, priced reason-
ably. Call Ill. phone 538. 9-7-11

ward. 9-7-21

LOST—Large brindle bull dog.
Edward A. R. Eyre. 9-7-21

PRICE OF WHEAT CONTINUES TO ADVANCE

By Associated Press.
CHICAGO, Sept. 6.—The high-
est prices of the present upturn
were made for wheat on the Chi-
cago board of trade today, Decem-
ber showing over 8 cents over
the close of Friday 21 1/2 cents over
the low of two weeks ago.

The sensational upturn in cotton con-
tinued with a broader speculative
trend and with the probability
that Russian relief would take a
great deal of wheat made the up-
turn easily attained. An increase
of 4,081,000 bushels in the visible
supply of wheat combined with
selling against offers and profit-
taking late in the day caused a
setback and most of the big ad-
vance made early was eliminated.

Final wheat prices were steady
to 1 1/2 higher, while corn ruled
unchanged to 1/2 lower and oats
steady to 1/2 higher.

Corn was firmer early but re-
acted quickly on heavy selling of
December. Outside trade was
only fair. Crop reports were
generally favorable with the crop
maturing fast.

Oats followed other grains
being higher early and reacting
but showed more strength
than the corn throughout the day.

Provisions were easier on sell-
ing of January lard by packers
while the strength in cotton seed
oil influenced buying of the near-
by deliveries, with foreign buying
October lard.

The New Peoria Grain Drill

Shown here represents the best there is in a grain drill. Two levers, high broad wheels. A frame back of the drill that seat and liners are attached to. The genuine single disc shoe drill. The disc opens the furrow and the shoe holds it open until the grain drops to the bottom of the furrow. All the same depth.

Order Your Drill of Me Now If You Expect to Get it When You Want It.

Clarence Wolke, Mechanic

Why Grind Cylinders?

No matter what other conditions may be, after a gas engine has been run a few thousand miles its cylinders are worn out of round; they leak oil and gasoline if this condition is not corrected.

Grinding is the only recognized mechanical means of lining up the cylinder walls to an accuracy of one thousandth of an inch.

The cost of grinding averages one-third the price of a new block. Therefore regrounding is an economical as well as practical thing to do.

Regrinding is not, however, a "cure-all" for all gas engine ills. In order to reach perfection of operation it is necessary to work over all worn parts which vibrate in cost with the degree of wear. This wear we are constantly urging the public to keep down to a minimum by using a clean, high grade oil in the crank case at all times.

We handle and recommend the use of MOBILOILS—"the oil that lubricates most."

HOME COMING AT MEREDOSIA

Sixth Annual Event Was Held
Last Week—Other News of Interest.

Meredosia, Sept. 6.—The sixth annual homecoming held Sept. 1, 2 and 3 was a success in every way. The poultry and farm produce exhibits were very fine considering it being so early in the fall for produce. The free attractions were splendid and were well worth the price of getting them here. Good crowds were here each day and kept the fish stand and soup joints busy. Nobody went home hungry.

Thursday's winners in contests were:

First—free for all 11 yd dash. Merle Sublett. Prize box cigars—C. P. Hedrick.

Boys foot race under 15 years. First, Valley Concord. Prize \$1 cash by T. P. Dudgeon. Second—Benny Gilliland. Prize pocket knife. Hunter Allen & Co.

Fat man's race—First F. W. Brockhouse, Jacksonville, Mac's Own cigars given by Gebert & Co. of Jacksonville. Second Ira Braden, Meredosia. Prize pocket knife given by C. G. Wegehoff.

Ladies' egg race. First Anna-belle Hyde, prize pair silk hose. Stark Millinery. Second, Ed Sam Newman, prize 1 lb box candy by John E. Hall of Springfield.

Watermelon eating contest. Willie Deekman won prize of pocket knife by Soud's music store.

Girls' foot race under 15 years won by Grace Newman. Prize 2 lb box candy by Holly Candy Co.

Pig raffled off went to Carl Beauchamp.

Friday—Horse show. Best team shown in harness. First Alfred Ray, Neelyville. Second Ed Schlicker. Best gentleman driver—first Bert Way, Concord. Second C. Hendrick, Versailles. Third S. Biggs.

Best single turnout driver by lady. First, Elma Deterding of Concord. Second Lela Ray, Neelyville. Third, Mrs. Silas Rentschler, Concord.

Best saddle horse, Bert Way, Concord.

Best pole team, first Ed Schlicker, second Alfred Ray, Neelyville.

Pig raffled off Friday Russell Kunzeman held the lucky number.

Saturday's contests were as follows: Free for all 1 yd dash. First, Virgil Stienberg, box cigars by Wm. Ayers. Second Hugo Albom.

Ladies' foot race, won by Mrs. Sam Newman. Prize 1 lb box candy given by J. W. Bunn & Co., Springfield.

Ladies' ball driving contest. First, Mrs. Ira Braden. Prize 50 lb sack Zehyr flour by Farmers Elevator Co. Second, Mrs. Sam Newman 2 lb box candy by J. W. Bunn & Co., Springfield.

Baby contest for beauty and best developed baby was won by baby girl of Mrs. Herman Wilson, Arenzville. Second, Carolyn Louise Yost, Meredosia. Third, Lozell Nerganah, Chapin.

50 lb pig raffled off Saturday evening went to Emil Brockhouse who held the lucky number.

Automobile coming farthest, Geo. Schmidt and family from Cleveland, O. Prize, lap spread, by Geo. M. Bucher.

Person coming farthest, Miss Marie Littig from Bakersfield, California.

Oldest person on grounds—Mrs. Belle Savage, age 88. Prize 10 lbs Hamill's steel coffee by United Mercantile Co.

Oldest married couple. Geo. James and wife, 53 years.

In the diamond ring contest May Hughes received the largest number votes and received the diamond ring given by the carnival company.

Miss Naomi Curry of Mt. Sterling visited from Saturday till Monday with her aunt, Mrs. J. H. Loman and family.

Mrs. Geo. Stover and children returned to their home in Quincy Saturday morning after a two weeks visit with the former's parents, Mr and Mrs. Claus Hinners.

Mrs. Howard Rhodes of Tuscola is visiting with her parents, T. J. Unland and wife.

John Washburn, wife and daughter, Vera of Albion, Iowa, arrived Thursday for a week's visit with relatives.

Mrs. Frank Dawson and Mrs. Frank Todd of Jacksonville visited here with friends Friday and attended the homecoming.

Mrs. Minnie Neville of Macomb visited with her cousin, Mrs. John Moultry over week-end.

Miss Beulah Wade of Alton arrives Saturday and will visit several days with her mother and other relatives.

C. W. McLain of Joliet is spending a few days with relatives here.

Mr. and Mrs. Albert Butcher had for their guests Sunday their son and G. A. Butcher and wife of Hadley and Roland Butcher and wife of Jacksonville.

John Berger wife and son Myron of Jacksonville were visitors at home of L. A. Berger and family from Friday till Sunday.

H. E. Stults and family drove over from Versailles Friday evening and remained until Saturday Saturday evening as guests of L. H. Yost and family.

G. W. Burrus and wife and F. J. Taggart and wife of Pittsfield, spent the later part of the week here attending homecoming.

Mrs. Lewis Hall and children of Springfield visited from Thursday till Sunday with Charles Winingham and wife, Easley Mellinger and wife of St. Louis motored till Monday, the guests of the latter's sister, Mrs. H. E. Harms.

Mrs. Marjorie Hagel and wife of Mt. Sterling returned home Sunday from a visit with the latter's parents.

Earl Pond of Beardstown same day Saturday and visited with

his wife and other relatives till Monday evening.

Chester Tankersley and wife of Manchester spent Saturday in Meredosia.

F. W. Brockhouse, wife and son Willard of Jacksonville attended the three days of homecoming.

John Naylor and wife and son Russell of Arenzville spent Friday and Saturday in Meredosia.

Miss Katie Babb of Jacksonville spent the week-end with Mrs. Louise Hillig.

W. R. Coultas and wife of Jacksonville visited the latter part of the week with their daughter, Mrs. G. A. Bennett.

Enoch Hyde, wife and son Harold of Jacksonville spent Friday and Saturday at home of J. L. McLane.

Mrs. Lena Orr of Bloomington is home for a few days visit.

Mrs. E. B. Montgomery and daughter, Allegra of Quincy are guests of the former's mother, Mrs. Mary Butcher.

William Sites, wife and son, Howard of Beardstown spent Sunday and Monday at home of Mr. and Mrs. L. F. Berger.

Mrs. John Dugan and daughter, Frances of Winchester, were week end guests of the former's aunt, Mrs. Texa Summers.

Rheumatism

A Remarkable Home Treatment
Given by One Who Had It

In the year of 1893 I was attacked by Muscular and Sub-Acute Rheumatism. I suffered as only those who are thus afflicted know for over three years. I tried remedy after remedy, but such relief as I obtained was only temporary. Finally, I found a treatment that cured me completely and such a pitiful condition has never returned. I have given it to a number who were terribly afflicted, even bedridden, some of them seventy to eighty years old, and the results were the same as in my own case.

"I Had Sharp Pains Like Lightning Flashes Shooting Through My Joints."

I want every sufferer from any form of muscular and sub-acute (swelling at the joints) rheumatism, to try the great value of my improved "Home Treatment" for its remarkable healing power. Don't send a cent; simply mail your name and address, and I will send it free to try. After you have used it, and it has proven itself to be that long-looked-for means of getting rid of such forms of rheumatism, you may send the price of it, One Dollar, but understand I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer, when relief is thus offered you free. Don't delay. Write today.

Mark H. Jackson, 218H Durston Bldg., Syracuse, N. Y.

Mr. Jackson is responsible. Above statement true.—(Adv.)

Have You Got Over That Little Attack of Pessimism?

--we have!

We'll admit that during the hot weeks just passed some things did look a bit dubious but that's all over now. It's going to take a lot more than "talk" to stampede us into the belief that "everything is all wrong." It isn't. Everything is working out all right, and we'll have good times aplenty if everybody will just get his shoulder to the wheel and push, and talk and act 'em. The world has been full of gloom and it takes a little time to get over it—a little work and a little patience. We're for that strong. And,

Larger Crops Follow the Hoosier Grain Drill

The Reason

With the Hoosier, you sow just what you want, just where you want, just when you want. The construction of the feed cup makes the quantity just right, the construction of the boot puts the seed where you wish and the general construction of the Hoosier assures you of drilling when you desire.

With the new price we are now making on the most successful drill ever placed on the market, you cannot afford to use a worn out drill, neither can you afford to take a chance of getting one when the season is on.

Procrastination is the theft of time. The man who acts is the one who does things while the other fellow sits still and is sorry.

Call in. We will be pleased to give you our proposition and to show you why you need THE HOOSIER DRILL, THE DRILL THAT ALWAYS SATISFIES.
